Washington, DC 20585

Dear FOIA Officer:

Pursuant to 5 U.S.C. 552 and/or 10 CFR Part 1004, I request the opportunity to inspect or obtain copies of all test results for all tests which were performed within the last three years at or near Zahn's Corner Middel School, located in Piketon, Ohio. Test results requested herein include all sampled media, including but not limited to, air, water, soil, dust, liquids, surfaces, and the like. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$1,000.00.

Time is of the essence for this request. I request the most expeditious response possible and I am willing to undertake any acts necessary to expedite this process. If you expect a significant delay in responding to or in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. Likewise, if this request should be directed to another person or entity, please immediately forward this request appropriately and advise me immediately of the contact information for the correct person or entity to process this important request as soon as possible.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Very Truly Yours,

Jason A. Leasure
